2004 CATALOG

SURF ONE©

SURF ONE DECKS *are made in the USA at our own skateboard manufacturing factory using U.S. hard rock maple, Airlam™ fused with waterproof Type I glue, and sealed against moisture with a water base acrylic semi-gloss finish. Surf One skateboards are warranteed against delamination for the useful life of the deck. We offer you the finest quality decks made anywhere for a competitive price.*

WHEELS:
Our Surf One wheels are also made in the USA at our wheel manufacturing facility using our superior urethane technologies. Performance and value guaranteed.

T-SHIRTS:

Iron Cross t-shirt (small, medium, large & xl) available in 8 shirt colors: black, blue dusk, forest, olive, chesnut brown, cedar red, sports gray & white.

Plumeria Stripe girl t-shirt (small, medium & large) available in 5 shirt colors: black, navy, brown, red & white.

**Star deck:*
This board was designed specifically for girls. Keeping in mind the size and weight of women, it was built narrower so it's easier to turn, and designed in detail for a lighter rider in mind. Tested and designed by Surf One Girls.
